SACF Corr 2003/041

The Hon John Anderson MP
Deputy Prime Minister
Minister for Transport and Regional Services
Parliament House
CANBERRA ACT 2600

Dear Minister

I am writing to convey the outcomes from the 37th meeting of the Sydney Airport Community Forum (SACF) held on 16 September 2003. I regret the delay.

SACF's submission to Sydney Airport Corporation Ltd's (SACL) Preliminary Draft Master Plan was forwarded to the Chairman and Chief Executive Officer, Mr Max Moore-Wilton on 29 October 2003. The submission outlines a number of issues of concern to SACF Members and a copy is attached for your information.

Members continued to raise concerns about the proposal to relocate Airservices Australia's Terminal Control Unit (TCU) from Sydney to Melbourne and the effect this may have on the continuing management of the Long Term Operating Plan (LTOP). Airservices Australia advised Members that the move is expected to take place in 2007/2008 and management of Sydney environment issues is not expected to change as a result.

In a related matter, Mr Balzola, on behalf of Mr John Murphy MP, Federal Member for Lowe requested consideration be given to making the LTOP Direction to Airservices Australia more definitive by using terms such as "must" rather than "should" or "may".

I would be grateful for your early response to these matters.

Yours sincerely,

Signed by Senator Payne 27 November 2003

MARISE PAYNE
CHAIR
