CANBERRA ACT 2600

Dear Minister

As described in my letter to you of 16 April in relation to the outcomes of the first SACF meeting of 2010, the forum discussed the Aircraft Noise Affected Residents Compensation Scheme (ANARCS) proposal developed by an informal committee of SACF, lead by Mr Kevin Hill, community representative for the South.

Although SACF members differ on their views of the ANARCS proposal, members agree that the options for minimising the impacts of aircraft noise on the community require further examination. SACF supports an approach that will take into consideration minimising any aircraft noise impacts on the communities surrounding Sydney Airport, and thus would like to support the principles attained in the ANARCS proposal. It is enclosed for your consideration.

Yours sincerely

Barry Cotter
