Dear Minister

I am writing to thank you for your attendance at the meeting of the Sydney Airport Community Forum (SACF) held on 22 February 2013, and to report on outcomes of that meeting.

Members were most appreciative that you had taken the time to attend the meeting, and of your strong support for the work of the Forum.

The main focus of the meeting was Sydney Airport's draft Master Plan for 2013-2033. Representatives of the Sydney Airport Corporation Limited (SACL) outlined the process for developing the Airport Noise Exposure Forecast (ANEF) for 2033, and the public consultation process for the Plan. The Department of Infrastructure and Transport also provided an informative presentation on the Transparent Noise Information Program (TNIP). The Forum resolved to request that Sydney Airport incorporate this noise disclosure information as part of the public consultation process for the Master Plan.

Yours sincerely

Peter Fitzgerald
Chair
