Dear SACF

I sent the below email to [REDACTED] [REDACTED] three weeks ago but I am yet to receive an acknowledgement or response.
Can you please ensure this query is raised at the next SACF meeting?

With thanks

Dear [REDACTED]

As a Kingsford Smith constituent I have noticed a sharp increase in the level of aircraft noise over Malabar during the past two weeks.

Can you please ask your representative on SACF to query this issue at the next meeting and whether this is a permanent situation?

I look forward to your response.

Many thanks
